* The Riddell defendants do not concede by this statement that any of these listed plaintiffs had existing valid claims. Indeed, many of them did not for various reasons, including but not limited to because many of them never effectuated valid service of process on any Riddell defendant. Regardless, all of the claims of plaintiffs on this list should be dismissed with prejudice as none of them filed SAMAC-SFCs pursuant to this Court's October 24, 2017 order.
